

REMARKS

The specification has been amended in order to include the “incorporation-by-reference” of the sequence listing, as well as reference to the specific sequence ID number in the text of the description. No new matter has been added. In accordance with 37 CFR. 1.125, both a clean version and a marked-up version of the substitute specification are submitted herewith.

No fee is believed associated with this preliminary amendment. If any additional fee or extension is required, please consider this a petition therefor, or otherwise if necessary to cover any deficiency in fees already paid, authorization is hereby given to charge our Deposit Account No. 50-1402.

Respectfully submitted,

August 17, 2004
